Memorandum

Date: November 8, 2012

To: Honorable Chairman Joe A. Martinez and Members,
Board of County Commissioners

From: Carlos A. Gimenez
County Mayor 

Subject: Resolution Authorizing Execution of U.S. Government Lease for Real Property between Miami-Dade County and U. S. Customs and Border Protection for Office and Warehouse Space Located at Transit Shed E at the Dante B. Fascell Port of Miami-Dade

RECOMMENDATION

It is recommended that the Board approve the accompanying resolution authorizing the execution of a U.S. Government Lease for Real Property ("Agreement") between Miami-Dade County ("County") and U.S. Customs and Border Protection ("CBP") for office and warehouse space located at Transit Shed E at the Dante B. Fascell Port of Miami-Dade ("PortMiami").

SCOPE

PortMiami is located within District 5 – Commissioner Bruno A. Barreiro. The impact of this agenda item is countywide as PortMiami is a regional asset and generates employment for residents throughout Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

Several years ago the Federal government imposed new guidelines and requirements with respect to the provision of its inspection and support facilities at its ports of operation. The new guidelines required seaports to provide at no cost to CBP sufficient processing space as well as office space to support these functions. For legal support, the guidelines rely on Section 1223 of the United States Code. This item has no new fiscal impact to the Port as these lease terms have already been in effect for three years. As a point of reference, Tariff rates for said space would total \$279,465 per year (\$146,845 for the warehouse space and \$132,620 for the office space).

TRACK RECORD/MONITOR

CBP has been at PortMiami since the early 1970s, when international vessels started arriving at the Port. Throughout the years, CBP has played an important role in the expansion and success of the Port. CBP has no outstanding issues with the Port. The Seaport Department staff members responsible for monitoring this agreement are Juan Kuryla, Deputy Port Director, Miriam Abreu, Chief Financial Officer, and Dalgis Betancourt, Manager, Seaport Real Estate and Economic Development.

BACKGROUND

For almost 40 years, CBP has been an invaluable partner at PortMiami. Its processing of passengers and cargo has enabled the Port to achieve significant growth. As a result of the Port's increase in cargo and passenger volumes, as well as additional security measures following the events of September 11, 2001, CBP operations and staff have increased significantly at the Port. To accommodate this increased activity, throughout the years the Port has provided inspection and office space for CBP.

Throughout this time, CBP has held different types of leases at PortMiami; i.e., open ground leases, warehouse leases and office space leases. Up to the late 1990s, CBP occupied these areas at no cost. From approximately 1999 through 2009, CBP paid either Tariff or off-Tariff rates depending on the lease structure, including reimbursement rates for improvements to their facilities. However, pursuant to Section 1223 of the U.S. Code, effective in 2009, ports were then required to provide these areas at no cost.

In 2010, the Board approved Resolution R-126-10, authorizing execution of a U.S. Government Lease for Real Property between Miami-Dade County and U.S. Customs and Border Protection for office and warehouse space located at Transit Shed E. This three (3) year, no cost lease was effective October 1, 2009 through September 30, 2012. As this lease has now expired, the parties wish to enter into a new lease under the same terms.

Toward this end, PortMiami is recommending the proposed Agreement with CBP at no cost for the usage of 6,631 square feet of office space and 29,369 square feet of warehouse space at Transit Shed E (514 Australia Way) for a period of one (1) year, commencing on October 1, 2012 with four (4) one (1) year renewal options; with each renewal option cancellable with one hundred and twenty (120) days written notice at either party's option.

From an operational standpoint and efficiency, it is extremely beneficial for the Port to house CBP on-site to process both passengers and cargo in an expedited manner. CBP's presence at PortMiami is extremely valuable as it is an excellent asset when selling infrastructure and services to customers.

As a point of reference, at the Port of Tampa, CBP conducts passenger inspections and occupies space in the cruise terminals at no cost. In addition, the Port pays for maintenance and utilities incurred by the agency such as electricity, water, janitorial services, landscaping, etc. Port Everglades is also offering complimentary rent to CBP and it is also absorbing all utilities costs. Other ports experiencing similar situations are the Port of Jacksonville, which provides CBP facilities at no cost to conduct passenger inspection as well as Port Canaveral and the Port of Palm Beach which also provide free space at cruise terminals as well as pay for all utilities costs associated with CBP.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which include the authority for the Mayor or designee to execute the Agreement and to exercise any cancellation provisions.
